Ann McIntosh is author of *Mid-Atlantic Budget Angler* (0-8117-2851-X) and her home is in Monkton, Maryland.

It is a good local streams guide with specific information though somewhat dated due to changing state regulations. I bought it mostly for Pennsylvania and it is good info. NJ I know as I live here and the other states I don't fish to the south. But it is worth having.

Great resource for those of us looking to expand our fishing experiences beyond our "comfort zones." It has helped me know more about the non-PA streams.

Members of Trout Unlimited (TU) have had the pleasure of reading Ann McIntosh's "Budget Angler" in "Trout" magazine for a number of years. Her long awaited book won't disappoint TU members and, likely, a whole new group of fans. "Mid-Atlantic Budget Angler" offers something often hard to find in flyfishing literature: useful information. Ms. McIntosh describes some of the region's best flyfishing spots, some well-known, others not so well known. She describes stream conditions, gives

understandable directions and offers tips on fishing conditions, stream idiosyncracies, places to stay and much more. For flyfishers seeking practical information on flyfishing in the Mid-Atlantic region, this book may well become the bible.
