Attract Money Affirmations: Powerful Daily Affirmations To Attract Wealth And Abundance To Your Life Using The Law Of Attraction

Synopsis

As within, so without. You won't come into a state of financial wealth if your mind-set is constantly plagued by negativity and ironically affirmative thoughts about poverty. The body goes only where the mind takes it. You cannot achieve a debt-free or financially independent state if you keep telling yourself you can't be wealthy. Here are a handful of positive affirmations to help you attract opportunities that will help you acquire more money. You can repeat them out loud while meditating or silently in your mind during your idle time (e.g., commuting, waiting in line, and showering).
