You think you know all about our beloved Steelers? Buy this and see just how much you didn't know. You won't be disappointed.

Seems age appropriate for young boys, age 9-16 who like to take little quizzes and read trivia. Got it for my 16 year old brother who loves sports books and the Steelers. Is less of a boring read, more of

a memorize and quiz me type book, which is why I'd say it's for a younger age group. Good condition and good price. Arrived on time.
