Nasrullah: Forgotten Patriarch Of The American Thoroughbred (Sports)

Synopsis

Nasrullah arrived in Kentucky in 1950 and forever changed the modern American thoroughbred. Bred in royalty by the Aga Kahn, Nasrullah's journey from Europe to America was one of glorious victories and grand potential. He was the first horse to lead both the American and English sire lists, which led to a legendary line of descendants that includes nine U.S. champions, three Hall of Famers and ninety-eight stake winners like Bold Ruler, Noor and Nashua. Nasrullah is even grandsire of the famed Secretariat. Ride along with author Melanie Greene as she recounts the compelling history of a truly remarkable horse that is sure to take any equestrian fan beyond the bluegrass.

I've had three horses with Nasrullah in their bloodlines, and now I know why they were great athletes--and why one of them had a lousy temperament! Fabulous to find this amazing book about the great sire.

Nasrullah has long been part of many successful stakes winners pedigree lines. In this book, we find out why. Great Read!

A little known but prepotent sire. Nice bio. Wish there were color photos.

I was glad to see a book written about this great Thoroughbred sire. Good reading for anyone interested in the Nearco-Nasrullah-Bold Ruler line.
