Wolf Coloring Book- An Adult Coloring Book Of Zentangle Designs: Including Black Background And Mandala Patterns (Adult Coloring Books) (Volume 12)

Synopsis

Enjoy 25 unique wolf designs each repeated TWICE in this coloring book, providing hours of fun! There are multiple wolves, single wolves, multiple back drops, black background, and more! You won't be disappointed by the professional designs inside- they are each unique, beautiful and designed by our in-house artists. This wolf coloring book contains single sided pages that are suitable for any coloring instrument including markers, felt tips, gel pens, coloring pencils and more! The single sided, removable pages are also great for framing or hanging! There are also color test pages at the back of the book so you can try any color pencil, pen or marker. If you love wolves and beautiful animals, this book is for you! It also makes a fantastic gift for family and friends of all ages!

Customer Reviews

Very good variety of wolf images with some more realistic and some abstract patterns. There are some black background images too. Each image is repeated twice for a total of 50 pages of images. That's cool that you can color each page twice, I learned from some poor color choices and was able to color the same image again with a couple different colors and it looked better. Great.

I love this book of wolves! Wolves are my favorite animal and this book has so much variety. The backgrounds are great and the wolves are just gorgeous! I enjoy that some of the images are black

background.
