Customer Reviews

I don't know why I bought this book. I've been on a number of cruises and thought I knew all about them. But I bought Mike's Guide to Better Slot Play earlier and remembered how much I learned from it. Well this book is just as good. The book is full of lots of tips and is set out in a manner that is very easy to follow. The tip on how to get a free cruise is excellent. I read the book in one day and I know it will help me plan my next cruise. CS - Love to cruise

This was an easy, enjoyable read and full of the kind of information I needed to plan and book my next cruise.

Found this book very informative. It will Definitely help with booking my next cruise.
