ISBN-13: 978-1560449836

Product Dimensions: 9 x 6 x 0.6 inches

Shipping Weight: 13.6 ounces

Average Customer Review: 5.0 out of 5 stars 1 customer review

Best Sellers Rank: #3,517,164 in Books (See Top 100 in Books) #78 in [Books > Travel > United States > Utah > General](#) #1717 in [Books > Science & Math > Biological Sciences > Animals > Fish & Sharks](#) #4153 in [Books > Travel > United States > West > Mountain](#)

Customer Reviews

How does an angler know when and where to fish, how to get there, and what kind of gear will reel in the catch? The answers are all here in Fishing Utah. From its pristine alpine lakes to its plentiful desert reservoirs, Utah's waters are teeming with game fish - hard-fighting rainbows, smallmouth bass, warmwater muskies, and big walleyes. Lifelong Utah angler and outdoor writer Brett Prettyman knows these waters well and has collected details to help anglers fish here. This guide provides descriptions of more than 170 fishing hot spots around the state and answers the questions every angler asks before setting out. Look inside to find: advice on when, where, and how to fish - the flies and lures that could make the difference between an empty creel and a good day's catch; up-to-date information on stocking schedules and fish abundance; clear descriptions of trails, distances, terrain, availability of campgrounds, and even winter conditions; where to fish with kids or how to fish in solitude; and an illustrated section describing the habits, habitats, and best ways to fish for Utah's huge variety of game fish. Whether you're planning an afternoon or a week of angling adventures, take Fishing Utah along for the trip. (6 X 9, 312 pages, b&w photos, maps illustrations, charts)

This is a real find! For all of us that love fishing and Utah, this book has it all. I found Brett's

descriptions to be on target, and his advice valuable. He obviously loves and knows his subject. I heartily recommend this book to all the anglers looking to Utah as a fishing paradise.
