Customer Reviews

nice map , I do like being able to use dry markers on it. Some of the print is small , but there are a lot of streets to cover

Great map. Every street is shown and labeled. Good quality lamination.

Gave it as a gift to a sibling and they love the map. You can draw on it with a dry-erase marker and then wipe off. This allows for planning trips identifying point-to-point locations and not having to search for them when in a hurry.

Great map!

Great map! Love that it is laminated. Perfect for our needs.

Very useful map
