Winter Hawk Star (Orca Sports)

Synopsis

Tyler is a good, solid hockey player, but not a great one. That honor belongs to the obnoxious Riley, a sixteen-year-old spoiled superstar who makes Tyler's life miserable. When Tyler and Riley are sent to volunteer at a local youth program, Tyler finds the passion and commitment he needs to step up his game on ice—and off.

Customer Reviews

"Winter Hawk Star is a quick page turner that will interest all readers. Highly recommended." (CM Magazine 2008-01-01)"Reluctant readers, especially those who are interested in hockey, will find this Orca Sports novel interesting...a good addition to schools and public libraries." (Resource Links 2008-02-01)

Tyler discovers his inner superstar after volunteering at a local youth home. He also finds himself in more danger than he imagined.

Absolutely LOVE this book! I grew up my whole life as a Portland Winterhawks Fan and it was so wonderful when this book came out. It's a cute little story about a fictional character on the team. I am bummed the cover was changed and the player is no longer wearing Winterhawk colors. I read this book awhile ago and recently bought it for my son to read.

Riley Judd is a super hockey player, but undisciplined and selfish! Tyler Watson is just glad to be on the team. He's definitely not the greatest player and he definitely doesn't play to his full potential. The coach teams them up to help the underprivileged ADD kids and to help each other. One to look beyond himself and stop showboating and the other to begin to play up to his full potential. Riley and Tyler can't stand each other and that is an understatement! Through helping the kids and unraveling the mystery of the kool-aid tampering, they learn to care for others, do their best, and become really great friends. What a great book.
