Beautiful book - lovingly showcases the beautiful state of Michigan.

I live here so, I get to see a lot of this beauty every day. But this book give me the oportunity to see it any time I want. This book is made up a lot of wonderful pictures, and interesting commentary. Michigan is a beautiful state, and they have captured some beautiful spots.

As an avid Michigan traveler, I was overwhelmed by the beautiful images created by Ed Wargin. He

truly seemed to capture the essence of Michigan. I was delighted to read the well-written and introspective prose by the author, which seemed nearly spell-binding at times.
