February 1809: The Prequel To 'Catching The Eagle'

Synopsis

A STAND-ALONE SHORT STORY February 1809: The rural community in Ponteland, Northumberland begins to stir after one of the harshest winters on record. As the land is slowly brought back to life, impoverished farm labourer, Jamie Charlton, desperately seeks work. With a wife and four hungry children to feed, a mountain of debt and creditors baying for payment, Jamie has more problems than most. He lurches from one crisis to another, stubbornly refusing help from his anxious brother, William. When his creditors become increasingly violent, Jamie's desperation reaches breaking point. How will he and his family survive? Based on real events, 'February 1809' is a prequel to Karen Charlton's novel, 'Catching the Eagle' and is a day in the life of the main characters of that book.

Customer Reviews

Karen Charleton is a gifted writer who brings her characters to life well. Her chosen timeframe, one

in which an ancestor really lived, is exciting to read about. I've enjoyed all of Karen Charleton's books & will be looking for more.

Another fine story to prepare us for what's to come. Her parallel storyline of Jamie and the eagle was fantastic. I'm hoping that my sister will enjoy enjoy Karen Charlton's writing style.

it was hard to follow...confusing...lacked detectible story line...I found it hard to follow and not worth the effort of trying very hard.

Another good read. Like longer stories though.

All of Karen C. Books are five stars.

Did not like this,

Would recommend. Nicely put together. Depicts the spirit of the times. Characters come to reality with details and such. Nicely put together.

Very good vividitÃfÂ© description of the sociÃfÂ©tÃfÂ©
