Terrestrial Mammals Of Nunavut

Synopsis

Explore the fascinating world of Nunavutâ€™s diverse terrestrial mammal populations in this richly visual, informative book. Through beautiful photographs and a broad range of information, readers will learn about the appearances, ranges, and behaviors of eastern Arctic nonmarine mammals. With detailed information on more than 30 species, this book provides an in-depth look at Arctic terrestrial mammals. Far from a barren land of ice and snow, this book will introduce readers to the vibrant natural life of Nunavut through its distinct mammalogy.
