Average Customer Review: 3.7 out of 5 stars 31 customer reviews

Best Sellers Rank: #1,059,706 in Books (See Top 100 in Books) #94 in [Books > Travel > Africa > Kenya](#) #146 in [Books > Travel > Specialty Travel > Solo Travel](#) #2744 in [Books > Reference > Writing, Research & Publishing Guides > Writing > Travel](#)

Customer Reviews

What an amazing story! One of the bravest and most vivid I've read in years, I'm not surprised it's a bestseller' - Deborah Moggach on *The White Masai* --This text refers to an out of print or unavailable edition of this title.

Corinne Hofmann was born in 1960 of a French mother and a German father in Frauenfeld in the Swiss canton of Thurgau, now lives in a villa on Lake Lugano with her teenage daughter. She had an international bestseller with *The White Masai*, an autobiographical account of her life in Kenya, which has since been translated into more than twenty languages and has spawned a film adaptation, seen by more than one million people when released in Germany in 2005. Her second book, *Back from Africa* described her attempt to start a new life back in Switzerland, and *Reunion in Barsoli* about her return to Kenya where husband and wife are reunited, after 14 years are still riding high on the bestseller lists.

Having finished 'The white Masai' I went on to read this book immediately and no regrets either. This is an interesting follow up of the previous story giving a bit of the off-stage, in the making background to the African story of Corinne. Definitely needs to be read after you've read 'the white

Masai'.

I wanted to find out what happened when Corinne and her daughter returned to Europe. It was an interesting read. I came across The White Masai by accident at an airport and since I had been to Africa and visited a Masai village while on a safari I was interested. I devoured the first book and looked forward to the sequel. This also was fascinating finding out how they adapted to our modern ways. I find it fascinating looking at primitive societies and their happiness contrasted to our modern world with all our stress.

Fabulous book..You must read the white Maasi to understand fully.Both books kept me on the edge of my seat wanting to read more more more.Corinne Hofmann is such a brave and courageous woman.I don't think I could have lived her life....But you never know love does strange things...Can't wait to read reunion in barsaloi.Will start it this weekend as i cruise the pacific northwest....

It was nice to hear about Corinne's life back in Switzerland, and the adjustment after 4 fascinating years in Kenya..

The story continues and we get to learn more about her family and her reentry into the developed world

Enjoyed first and third books better but still enjoyable reading

great reading

Good to get a follow-up, and hear about life after Africa but doesn't have the romance of the first book.
