Customer Reviews

So happy to find a dictionary that's just enough for my high school son. One thorough definition
rather than multiple definitions for each word.

I am in a constant learning mode. This is an excellent pocket guide

Most of what you expect. I really just like to have book versions

Print font is very small better to make it larger and the book a little thicker

I bought this for my mother in law because it drives me crazy to watch her trade letters when
guessing on draw something.

Great seller, price and fast shipping A+++++

Cute little dictionary. Perfect for school!

Perfect for my adult education students.
