Chronic fatigue syndrome, also known as CFS for short, is a medical condition characterized by long-term fatigue and other symptoms that limit a person's ability to carry out ordinary daily activities. What this book seeks to do is help those who suffer from this medical condition by offering them the paleo diet as a means to solve this issue or at the very least help the person in getting better and feeling less tired all the time with this very well known diet. The book begins by giving an overview of the illness going into the causes and symptoms behind it and advising when one should see a doctor in this regard. It then goes into the various means of treatment including drugs, therapy and alternative medicines and remedies. Later on the book delves into the paleo diet, its benefits and who it can work for. This book gives practical advice that a person can implement in their life to overcome Chronic fatigue syndrome. Very detailed book.

The information on Chronic Fatigue Syndrome and Fibromyalgia seems to be accurate and I found it fascinating. It has left me very hopeful as my family prepares to start a Paleo lifestyle. The recipes look good, but measurements are metric (with some conversions) and many of the ingredients were foreign to me. Some look good enough for me to translate. Overall, a very helpful freebie.

This is an awesome book so far and here I have found a comprehensive discussion about curing chronic fatigue & fibromyalgia. Inside of this book I have found dozens of recipes as well. I heard about this book a few weeks ago and grab it right way from the wake of curiosity to learn more. By the help of this book I have learned about the Paleo diet and various recipes as well. The author [Lily Penrose](#) has described everything about this diet very clearly. Throughout this book I have come to know more clearly about the diseases and it guided me about how to become pain free by eating all these meal that the author mentioned here. If you want to know about how to treat chronic fatigue disease and fibromyalgia, then don't miss your chance to read this book entirely.

I heard of chronic fatigue syndrome on the Golden Girls and didn't know if it was real or a TV thing.

I've experienced these symptoms for years and after I discovered paleo diet actually had good recipes that I'd I tried it out and am amazed at how it is helping.

A person may suffer from muscle pains, muscle spasms and tightness, even insomnia with it. This book presents a short but straightforward guide and an introduction to the syndrome, its causes, risk factors, complications, treatments and more. Alongside with those information, this book also includes as discussion about Paleo diet and how it would help with this kind of disease. This book is very informative and interesting to read. This book will help you cure chronic fatigue syndrome and fibromyalgia with the paleo diet recipes. The author did a great job in writing this book.

When I got Lily Penrose's book about curing chronic fatigue syndrome, I didn't expect to receive such amazing advice and support and a recipe book all in one. You get fantastic tips and creative recipes and I can feel already an improvement. My favorite recipe so far are the Moroccan Meatballs. Easy to follow and quick to make. Thank you for helping me get rid off my fatigue.

Lots of great information on chronic fatigue syndrome, and steps you can take to help the situation. The chapter on paleo diet was helpful. There are lots of gteat recipes in here that will help to cure this syndrome.

A great book for those who are suffering from Chronic Fatigue Syndrome or Fibromyalgia. The book is so good because all backed with medical research and scientific evidence. You can go wrong with this book, i highly recommended it.
