Synopsis

What happens when a Dragon doesn't brush his teeth? Well...We all heard about the "dragon's breath". That's why learning proper dental care is really important for a little boy and his friend Dragon Joe. Here's what readers are already saying about this amazing, inspiring story:"This book inspire dental hygiene and encourage kids to brush their teeth while having fun." -- John
"This is a really helpful story because I've never met a child who was motivated to brush his teeth" -- Kate "This is just too funny because I keep thinking about this happening with my family. My kids loved the Dragon Joe " -- Liz This is a story about a Dragon that hates brushing his teeth. Going to the dentist is also a huge problem for Joe. He gets in funny situations like he can't smile anymore because his teeth look strange. His breath also smells terrible so he can't speak to his friend little boy. Finally, a friend shows him the importance of good hygiene, and they are having fun brushing their teeth. Warning! Cuteness overload, so be ready!This book has a great story and fantastic illustrations that will make you happier or just put a smile on your face. You and your kids will love this book...grab it now while it's still available at this discounted price.

Customer Reviews

The illustrations were quite nice and the reading rhythm was smooth. It contains a fun lesson about good oral hygiene. My complaint is that the corresponding images are not on the same page with the text.

My son is 4 years old, and I took this book for him. This story is interesting for children, and in a fun way it can help children learn the importance of hygiene of teeth and body. Sincere recommendation!

Dragon's Breath is a cute story about a boy and his dragon with stinky breath. The dentist would approve and kids will get a kick out of the colorful pictures and fun story.

A humorous take on not brushing your teeth until even the dragon can't stand it anymore. The illustrations are great and the story is imaginative.

This book really encourage young ones to keep hygienic and enjoyable. The choices of words we're even clear to understand. This is going to be a reminder book to grab from young shelves even parents to share on their bed time stories. I even recommend this to all the teachers as their motivation tool in addition to the child's hygiene's practices.

As already mentioned for kids' better hygiene and heskth, sekf - esteem and more perhaps so they would not have bad breath, green teeth,cavities and pkaque, etc.. So, I wish to recommend this ebook especially for kids ages 3i - 5 & or in grades P - K.I received this ebook for free and in return,v here is my honest review by using KU? Also wanted to ask why the images are not bigger than they are, as my mentors had recommended to me to make the images for Childrens ' Picture Books bigger and the keettering, too for the parent ' s tired eyes by kid's bedtime story time? Great work Gorin and illustrator! By Angela
