Customer Reviews

With all the development and urban sprawl, it's easy to forget that O'ahu is home to some of the world's most spectacular natural beauty. In Michael Walther's new guidebook, you're treated to dozens of photographs of the Gathering Place's wildlife and plants, along with maps showing where to find these stunning creatures. From Hanauma Bay to Makapu'u, Ka'ena Point to Kapi'olani Park, Walther's guide will convince even the homiest of home bodies to get out and enjoy the view."- Honolulu Magazine June 2015
