Customer Reviews

My wife and I have read many of Katie's books and found them all very entertaining. I had the chance to meet Katie one time and I was even more impressed. WOW! What a lady.

I felt lost in the old west immediately! I can't wait for the rest of this story in the set.

This story is about a very flirty young lady who gets her self in predicting situations. I enjoyed reading this story. Can't wait for the next series to become available.

This is a good start to a new series. The author has done a great job of peaking a readers interest, the main character, a young woman who finds she must make a great change in her life.

Cute typical MOB story but this is a partial story ending at the meeting of the bride and groom. Only positive is that this intro is free on Kindle Unlimited.

This book has an easy to follow plot and interesting characters. I recommend this book to all lovers of clean, historical, romance novels.

A good story about a young woman that is a mail order bride finding her groom has children she,knew nothing about

I enjoyed another great read by Katie Wyatt. I hope you will read and enjoy this book also. I did!!!!!!
