He now works in New Milford, Connecticut, where he lives with his wife and their four children.

Great biblical teaching.

Perfect! Gentle and very informative!

I love that there is a sex education series of books with God's plan intertwined in the text.

Really liked this approach to sex education for Christian parents. Clear explanations and sensitive application. Liked the personal story format which can lead to discussions of the kid's own story. Good to have a section on safety with our bodies with other people too.

I was nervous leading into my discussion with my son, but just reading this aloud to him was super easy and it laid a great foundation for future talks. I highly highly highly recommend this book and all of them in the series.

Great Product, Fast Delivery

This is a helpful book in dialoguing with your children about sex. Our desire is to explain that God is the one who designed sex, not anyone else. We also want our children to learn about this from us, not the distorted view they will get from media, school, etc. It helped us talk more openly with our 3 & 4 year old boys about the pregnancy process that they are seeing with their younger siblings!

Recommend to introduce this book at 3 yrs old. Will get the others in the series when daughter turns 5.
