Everything Counts Revised Edition: A Year's Worth Of Devotions For Radical Living

Synopsis

For generations, people all over the world have been touched by the godly insights of Oswald Chambers. Now Everything Counts presents his work in a new and fresh form especially designed to speak to today's generation. Writer Steve Case has distilled and expanded the truth, wisdom, and spiritual insight so that a new generation will be moved by these soul-stirring revelations. The new format builds upon the verses for each day. It excerpts the essence of Chambers' memorable reflections and summarizes them in the section called "Just Between God and You." Then it encourages students to process these spiritual truths and apply them in their lives.

Steven L. Case has been in youth ministry for more than 20 years. The author of several books, including The Book of Uncommon Prayer 1 & 2, Steve works at the United Church of Christ, in Windermere, Florida. He lives near Orlando with his wife, Becky.

This is an amazing year-long devotional. It claims to be specifically geared toward teenagers, however, I'm an older woman and find it quite relative even to me. In fact, it is one of the very best year-long devotionals I've ever used, I can't recommend it enough. I have Oswald Chambers' MY UTMOST FOR HIS HIGHEST, which is an excellent book for Christians striving to live according to God's will, however, I sometimes miss what Chambers is trying to convey in his message. Steven L. Case takes Chambers' work word for word and adapts it to the relevance to Christians today. With

the way the information is presented, this book is equally great for individual personal use or as a discussion starter in groups. I love this book so much that I bought one for each of my 3 adult children as well as graduating students from my church.

Author Steven Chase has written a wonderful devotional book for teens. He has done a delightful job in making use of Oswald Chambers' *Utmost for His Highest*, using this and building upon it, to make a devotional that teens will surely enjoy. I appreciate his format, where Mr. Chase writes his thoughts, then he moves into what Mr. Oswald has on paper, and then a spot where to ponder between yourself and God. This is a devotional, filled with boundless information for teens. It would be great on a one on one basis, or used in a group situation. It has an attractive cover, and an apt title. I received this book free from the publisher. I was not required to write a positive review and the opinions I have expressed are my own.
