This is an excellent companion for my class text INTRODUCTION TO CANON LAW. This book

made my homework a breeze not to mention that it is an excellent reference for my role as a lay minister.

As a canon law student this book helps immensely in my studies and I'm sure will be invaluable in my career.

I'm not a lawyer, but there are some interesting things in here. I use it as reference for RCIA member questions.

Arrived as expected. Great buy
