Two-Minute Offertories: Concise Hymn Settings For Piano

Synopsis

This unique collection of hymn settings features short arrangements of moderate difficulty that are close to two minutes in length. All styles are included, from upbeat syncopated arrangements of Brethren, We Have Met to Worship and Joyful, Joyful, We Adore Thee to tender, reverent versions of More Love to Thee and Children of the Heavenly Father.

Customer Reviews

Great book look forward to using it.

Very good music.

The book arrived with 8 completely blank pages. Only 8 out of 15 songs were complete. Obviously a quality control problem in the printing of the book.

This was my first book for Sunday worship services. I can't tell you how useful it has been over the years. The print is large and never hard on the eyes. Each song runs between two and four pages, and music flows gracefully with the hands of the performer in mind. Although none of the songs are designated for use on special Sundays (such as Lent or Christmas), they can all easily be dropped into service for prelude, communion or offering. Most of the songs are easy to learn and come quickly with just a couple practices. Those with some accompanying skill and experience will enjoy playing from this book. And it's fairly priced, which is always a good thing for the church musician.

I love anything that Cindy Berry does - have used her books for years as pianist/organist. This new book is just right for either preludes or offertories - they are easy to learn and the results are wonderful on either piano, clavinova or organ. Would recommend to all musicians.

These arrangements are nice and they are long enough to use for more than just offertories. Our church is small, so acutally they are kind of long for an offertory but they are good for preludes too.

Once again, Cindy Berry has put together beautiful piano arrangements.

This book is filled with beautiful hymn arrangements. I have used many of them for church, but I also just enjoy sitting and playing them at home for my own pleasure.
