Customer Reviews

we just love halloween and we like this book cause it has some very cool things to make and we like to add different things each year. plus it is a very fun way to get the whole family involved and have some fun and grow stronger. thanks

There are a cute variety of ideas, but really, you don't need to buy the book, since all of the ideas are hosted on Better Homes & Gardens website, [...] . There are pumpkin ideas (lots of different creative ones, including the ultra-cute Cinderella's Carriage), party/serving decorations, food, costumes, and other crafts. Great pictures, easy instructions, but again, you can find everything on their website, so buying the book is a bit superfluous.

This book actually had some nice ideas that I haven't thought of. Great pictures of every project and the directions were easy to follow. It's not too often I come across a book that has something new. I

am pleased that I purchased it.

I FOUND THIS BOOK TO BE VERY USEFUL & EASY TO CONJURE UP SOME HALLOWEEN FUN. IT SHOWS STEP TO STEP INSTRUCTIONS WITH PICTURES YOU CAN FOLLOW. I ESPECIALLY ENJOYED THE PINATA, VERY EASY TO MAKE. IT RANGES FROM DECORATIONS TO FOOD & BEVERAGES. I LOVED IT, SUPER EASY.
