# Mary Engelbreit's Tiny Teeny Halloweeny Treasury

## Synopsis

Halloween has always been a terrific source of inspiration for Mary Engelbreit. Going on outings to find that perfect pumpkin, making your own costumes, and eating crisp red apples and bags of candy corn, the images surrounding Halloween always give Mary the urge to draw. In Mary Engelbreit's *Tiny Teeny Halloweeny Treasury*, Mary gathers all of her best Halloween art, a few scary (but not too scary) stories, some facts about the holiday itself, and some delicious recipes to create a wonderful keepsake book that can be brought out every Halloween! Inside the pages of this treasury, you'll learn the origin of Halloween, some pumpkin facts and a few silly jokes. Inside the front cover you'll find glow-in-the-dark endsheets - just expose the black pages to light then go into a dark room and watch as little ghosts begin to glow! Fans of all ages will enjoy this wonderful tribute to a beloved holiday.

This is a great book to read to your kids while snuggling on the couch on those cool October nights! I'm looking forward to doing that with mine in a few months with this lovely book.

This great little "treasure" makes Halloween complete. Love all the art work and the fun songs and activities. My kids adore the the little witch on the cover and it makes a great addition to our Halloween decor.

If you are a Mary Engelbreit lover, you will LOVE this book! Very well done, great illustrations :)

This was a great little Halloween Book. Perfect for bringing it out during the Halloween season. Lots of information on how traditions started. Great illustrations.

Pretty much a re-hash of everything else she has done, very few pictures. I thought it would be more like a story book, not so.

I love the size of this book! Packed with fun Halloween information I haven't read other books. Mary's drawings are amazing!

This is a really cute little book very typical of Mary Engelbreit's work. It's well crafted on good quality heavy stock and has all the trimmings and flourishes we have come to expect from this talented illustrator and author. This treasury of Halloween folklore, jokes, artwork and recipes contains an abundance of fun ideas to treat yourself and your children to during the Halloween season. It has 17 charming Halloween poems, facts about witches, pumpkins, origins of Halloween, black and orange, customs and lore, and felines. It has 12 silly riddles and jokes and the legend of the Jack-o-lantern. It has 4 yummy, easy and festive recipes that kids can help to prepare. Best of all, it has Mary's fun-filled colorful illustrations. It's a real treat!

Very cute book! Fast shipping and book arrived as described.
