Synopsis

Nothing about Saitama passes the eyeball test when it comes to superheroes, from his lifeless expression to his bald head to his unimpressive physique. However, this average-looking guy has a not-so-average problem—he just can't seem to find an opponent strong enough to take on! When aliens invade Earth, a group of Class-S heroes finally finds a way to fight back and go on the offensive. Inside the enemy mother ship, Saitama fights Boros. Faced with the alien's frightful power, he decides to get serious! What is the Earth's fate?!

Manga creator ONE began One-Punch Man as a webcomic, which quickly went viral, garnering over 10 million hits. In addition to One-Punch Man, ONE writes and draws the series Mob Psycho 100 and Makai no Ossan. Yusuke Murata, a highly decorated and skilled artist best known for his work on Eyeshield 21, won the 122nd Hop Step Award (1995) for Partner and placed second in the 51st Akatsuka Award (1998) for Samui Hanashi.

My son is big into anime/manga, and wanted to begin reading the One-Punch Man books after watching the television series. He reads these books so fast, yet returns to them again and again. I love seeing my kid read, and these books are a great price, so I'm glad to buy him another book in the series whenever he asks for one.

Looks great and came fast.

Awesome!

Anime follows this nearly identical. Manga has a few very good bonus side stories. I recommend this series highly, or highly recommend.

always good!

love it thanks

It's One-Punch Man. Amazing graphics, highlighting the action. Great humor. Cool character designs. And Saitama just being awesome. What more can I say? It's a good story with an easy plot to follow, killer graphical design, lovable characters, a few good twists here and there, and great humor.
