Synopsis

Thinking Critically About Ethical Issues invites readers to apply ethical principles to issues that exemplify the kinds of moral challenges encountered in everyday life. It provides an overview of the need for ethics and then focuses on strategies for effective decision making. Ruggiero emphasizes doing ethical analysis rather than comparing ethical theories. The history of ethics is covered in the concluding chapter.Instructors and students can now access their course content through the Connect digital learning platform by purchasing either standalone Connect access or a bundle of print and Connect access. McGraw-Hill ConnectÃ Â® is a subscription-based learning service accessible online through your personal computer or tablet. Choose this option if your instructor will require Connect to be used in the course. Your subscription to Connect includes the following:Ã¢â ¬Â¢ SmartBookÃ Â® - an adaptive digital version of the course textbook that personalizes your reading experience based on how well you are learning the content.Ã¢â ¬Â¢ Access to your instructorÃ¢â ¬â„¢s homework assignments, quizzes, syllabus, notes, reminders, and other important files for the course.Ã¢â ¬Â¢ Progress dashboards that quickly show how you are performing on your assignments and tips for improvement.Ã¢â ¬Â¢ The option to purchase (for a small fee) a print version of the book. This binder-ready, loose-leaf version includes free shipping.Complete system requirements to use Connect can be found here: http://www.mheducation.com/highered/platforms/connect/training-support-students.html

Customer Reviews

Waiting for class to start glanced through it and it seem like it will be a interesting class

Great book to keep you busy for hours. I used it for college classes when I was taking sociology. Easy to understand also. Great author.

Great book!

Decent overview of ethics, but I'm tired of "god" and "religion" sticking out of every sentence.

Content is predictable but the price is right!

Easy read. Glad my professor chose this book.

It was exactly what I was looking for

Confusing. book.. ever
