Kisses To Steal (Highland Wolves Book 2)

Synopsis

One kiss at a time, he plans to steal her heart. Ianthe Wynn is weary of life as a courtesan and longs for quiet green pastures to raise horses. Her biggest problem is her distinct lack of cash and a chilling new patron. There's also the matter of the youth lounging in her parlour with his feet on the furniture and the promises in his gaze that she can never accept. Quinn Muir might be the only wolf unable to shift, but he knows his mate when he spies her. He just needs to break through the wall she has constructed around her heart. Winning a bet and moving into her house for a week should do it, one kiss at a time. But demons lurk in the shadows and they are reaching for Ianthe. Quinn must rescue her before her heart and life are lost forever...
