Sons Of Justice 2: The School Teacher (Siren Publishing Classic)

Synopsis

[Siren LoveXtreme Forever: Erotic Contemporary Menage Romantic Suspense, M/F/M/M/M, HEA]
Mercy is trying to move on after being betrayed and abused by not only the man she loved but also her own family. It isn't easy moving on, and being a school teacher, pretending to be so shy when really she is scared and has lost that independent, self confident woman she used to be. Mercy even raced cars and did crazy stunts for her dad's racing team. All her experience and knowledge remains hidden. Why? Fear. It runs her life and keeps her from getting close to anyone, even feeling an attraction. Her battle wounds run too deep, and her past could come back to find her at any time. All she can do is wait. Scout, Breaker, Lux, and Fort are four members of Sons Of Justice, plus friends with Mercy's brother, and they've set their eyes on the sexy, gorgeous school teacher. She's resistant, but the connection is strong and deep and eventually they break down the walls she has put up and help her to feel empowered once again. The last thing they expected was trouble to arrive, and to lose the one woman they ever loved together. Note: This book contains triple penetration. ** A Siren Erotic Romance
