Second Shot: A Men With Wood Novel

Synopsis

As one of the top paid defensemen in the NHL, my life has been a revolving door of beautiful women and no-strings-attached sex. Until Brynne. It was only supposed to be a one-night-thing. Hell, it wasn't even supposed to be that. I knew the cardinal rule. Don't touch the coach's daughter. And for years, I kept my hands to myself. It wasn't difficult considering Brynne Jacobs hates my guts. She can't stand being in the same room as me - except for that one night. A night that left me hell bent on having more. Having all of her. But she took off. No text. No explanation. Not even a goodbye. Now she's back, but she's not alone. She's got a kid. A kid with all-too-familiar blue eyes and dimples. Math might not be my strong suit, but a quick calculation and I know the baby is mine. And she's delusional if she thinks I'm going to let her keep him from me. Damaged. Callous. Cold. Those are the words she uses to describe me. And I've never claimed to be anything more. But for her - for them - I want to be. I've been a fighter on the ice my entire life. Now, I'm fighting for the one thing I've spent my life running from - family.

Customer Reviews

This book was a pleasure to read. It was heartfelt and had some real life serious issues that people have to deal with on a daily basis and it didn't romanticize any of those issues. The two main characters were damaged but kindered souls that belonged together. I was so captivated while reading it. I wasn't able to put it down read it all in one sitting and wouldn't hesitate suggesting this book to anyone contemplating reading it. I am assuming there is a second book for the series however through other perspectives. There were no main cliffhangers what so ever could easily be read as a stand alone, however I think most people will fall in love with the characters like I did and will want to continue to read more.

Loved this book!!! These two souls are so damaged, I just hurt for them. I loved Kane's character he is such a good man, so caring. Brynne hurts so much that can't see beyond her pain. There is so much emotion and feelings in this book, I was unable to put it down.

Absolutely adored this story. It read quickly, and there may have been little points that the greedy reader in me wanted expanded, but the story was so well told. I absolutely adored this couple, and I cannot WAIT to see what's in store for some secondary players...

I enjoyed reading Kane and Brynne's story, C.M. Seabrook once again did an amazing job keeping me hooked. Once I started I couldn't put it down, I can't wait to read what she writes next. I highly recommend reading this book, you won't be disappointed
