Oriental Tattoo Art: Contemporary Chinese And Japanese Tattoo Masters

Synopsis

The place of tattoos in the cultural milieu of China and Japan today parallels their standing in society in the west in many ways; associations with gangs, outlaws and degenerate subcultures are commonly held perceptions. It is, however, the differences which fascinate and illuminate. *Oriental Tattoo Art* explores how traditions going back thousands of years have directly informed the development of the prevailing aesthetics in the East. Twenty contemporary artists from China, Taiwan, Hong Kong and Japan talk about their understanding of and practice within the tattoo realm and their finished masterpieces feature prominently. Tattooed sleeves and suits are a mainstay as are traditional motifs, including dragons, chrysanthemum flowers, koi, and dramatic landscapes and natural scenes. Historically, tribal, religious and sacrificial motivations informed the earliest tattoos in the Orient, but over time these influences have developed into a fascinating modern discipline. The aesthetic is often copied in the west, but seldom with the depth of tradition or understanding informing the work found in these pages.

Book Information

Paperback: 208 pages

Publisher: Gingko Press Inc. (January 15, 2013)

Language: English

ISBN-10: 1908175052

ISBN-13: 978-1908175052

Product Dimensions: 10.3 x 8.3 x 0.7 inches

Customer Reviews

Good tattoo book but I bought specifically because it purported to be an asian tattoo book (re: irezumi, chinese traditional, etc). What it is really are a set of profiles and portfolios of asian tattooists. Disappointed overall but still a good book *which is why I still have it and its not on the boat back to ...*

good book with good color photos

always wanted to own one.. now i have one! :)
