Glossary Of Oral And Maxillofacial Implants

Synopsis

This useful glossary contains definitions and descriptions of more than 2,000 implant-related terms, accompanied by literature references when appropriate. A multitude of illustrations and photographs enhance understanding visually, and a searchable CD-ROM makes the glossary more convenient and easy to use. The aim of the glossary is to increase consistency in the implant-related terminology used worldwide. Endorsed by: Academy of Osseointegration, European Academy of Osseointegration, American Academy of Periodontology, and American College of Prosthodontists.

Book Information

Hardcover: 230 pages

Customer Reviews

In my opinion, this glossary is a must-have in any library in both private and educational settings as its completeness and educational potential is far better than any glossary I have ever encountered.

--Robert M. Taft, DDS, - Journal of Prosthodontics, January 2009
