## Synopsis

From USA Today Bestselling author Katerina Martinez Betrayal. Death. Hope. In the shadow of death, darkness thrives. Crippled by an inability to control my ferocious wolf side and my wild magick side, I've had no choice but to incarcerate myself to protect the ones I love. But this withdrawal has left my friends vulnerable to Acheris' insidious influence, and the Devil's Witch may have already found a way in. As trust begins to break down around me, and the darkness begins to close in for the kill, I have to fight the hardest fight of my life just to regain control of a body that is no longer truly mine, confronting inner demons as well as real demons before the curtain falls on everything and everyone... and Acheris wins. Devil's Witch is the final novel in the re-released Amber Lee Series, marking the end of an era for Amber and her friends. Described as "unmissable" and "phenomenal" by previous readers, the book has been praised time and again for the superb quality of the storytelling, her vividly real characters, and Martinez's beautifully descriptive writing. If you enjoy a gripping, intense, action-packed book about a heroine who won't quit until she's won or she's dead, then this book is for you. THE AMBER LEE SERIES 1. True Witch 2. Dark Witch 3. ## Customer Reviews

It's been a bittersweet farewell. I didn't know quite what to expect when I turned that first page in my Kindle app all those long books ago. I certainly wasn't expecting the thrilling world I found. This last book in the Amber Lee mysteries brings us the final showdown between Amber and her loyal friends against the Devil's Witch. From the opening of the prologue to the very last closing words, the story takes you on a roller-coaster ride of danger, intrigue, and magick that will leave you wondering "what next?" We get to see Amber's faithful coven grow even further in knowledge and skill and they'll need all of those in order to earn their happily-ever-after's. I'm probably a bit biased, but this is the best book in the series. I'm honored to have been along for the ride.

I wasn't ready the first time and I wasn't ready this time either. Knowing the end was coming is a different feeling than having it end. I had fallen in love with these characters and I hope they come back some day! Amber is pretty amazing and so were other characters. Please come back! I'm glad they got their good endings.

Amazing story kept me interested definitely re reading series asap love your books Please keep them coming I'm a Gemini so it takes a lot to keep me interested and I did not put any of these books down till they were finished thank you
