Coloring Books: Adult Coloring Books: Butterfly Swirls

Synopsis

Another Tip Top Adult Coloring Book! Featuring: Butterflies, Flowers, Fun Fanciful Swirls, 30 Original Coloring Book Designs, High Resolution, Professionally Printed Images. A Simply Gorgeous Coloring Book for Adults and Teens Too!!!! *Printed on one side of the paper *Incredibly Fun and Relaxing

Are you looking for relaxing adult coloring books? (Or perhaps coloring books for teens?) Well, this book is perfect! Our adult coloring books are unique and one of a kind! We don't repeat images in our books. Also, we hire professional artists who specialize in creating images for our adult coloring books to make designs specifically for Tip Top Coloring Books. What makes our adult coloring books different? Well, as mentioned before, our team of artists are professionals who design and create images specifically for us. These adult coloring book artists are exceptional! In this coloring book alone, you will find playful beautiful butterflies, spectacular flowers, and fanciful swirls. Our coloring book illustrations are gorgeous! What makes the illustrations in our adult coloring books unique? Besides having unique images in our adults coloring books, our images are fun! They're fanciful! They're whimsical! And most importantly they're relaxing.

People everywhere, teens and adults, are looking for ways to unwind. And the new trend to satisfy this need is coloring books for relaxation. With our books, you can let your creativity run wild! What's the result of exploring your creativity in one of our Tip Top adult coloring books--it's relaxation... How do we achieve relaxation in our coloring books? Simply put, our coloring books are gorgeous, beautiful... peaceful. Beautiful floral designs. Whimsical scenes that capture the abstract beauty of nature. Such coloring book images produce relaxation... for teens and adults. What about the quality of our adult coloring books? Each image is a high resolution image produced by advanced software. Our adult coloring books are also printed at the same facilities that print the top selling coloring books on , using a minimum of 60# paper. These attributes result in adult coloring books that produce relaxation and fun! How is the image quality in our Tip Top Adult Coloring Books? Each of our images start out at a resolution of 600 dpi. That's above and beyond the traditional 300 dpi used for high resolution images. The result is clean lines with beautiful print production illustrations. These adult coloring books are simply awesome! Let your creativity run wild!

Customer Reviews

As advertised, the pictures are printed on just one side of each paper. The back of the book contains several pages of blank paper if an artist wants to try their hand at drawing. Four quarter-size "sample images" are near the front, in addition to the roughly 30 images to color. The cover image is just inside on the title page. A couple of the images in the back of the book have artwork that goes all the way to the edge of the sheet (and to the binding), but the rest of them have a nice margin so that coloring in a non-perforated book isn't an issue. The pictures all seem to have been drawn by the same artist. Not an overabundance of black, leaving plenty of room for color to abound. Some of the tiny segments to color are SO TINY, but most of it seems just right to color comfortably and have the colors show up. I'm pleased with the quality and artwork in this adult coloring book.

The book has 31 designs in bright white semi thick paper (about 65lbs)The blacks lines in the designs are very thin and light, and some parts are pretty small so a very fine point marker or pencil will be needed.The designs are very nice if you like butterflies and flowers.The pages are not perforated for easy removal if you wanted to copy them.All the designs have white borders.A nice addition to our coloring book collection

I purchased this for my sister who luvs butterflies. She likes the pictures stating that they are very pretty and look like they'll be fun and easy to color. The size is nice - easy to handle and sit on her lap while she colors. She'll spend a lot of time enjoying this coloring book.

good price for this, They are sooo expensive at the stores

I love the pic's but the paper is way too thin to use gel pens. Would be fine for colored pencils.

Not too fussy and overdrawn. Nice flowers and curved lines. I'm enjoying it. I find myself drawing my own decorative butterflies and flowers, so this inspired me.

Very well drawn and beautiful book. I am going to have to purchase a couple more because my friends keep asking for pages out of it. But that's ok because this book would be a bargain at twice the price.

Love this book. The designs are pretty and simple as compared to some adult coloring books. I pick this up when I want to color something that doesn't require a long time. Other books I have are very involved. The designs are also drawn with thin black lines vs. those designs in other books that practically color the picture in with thick black lines and sections of the drawing. Quick delivery too.
