The Merciless III: Origins Of Evil (A Prequel)

Synopsis

Horror queen Danielle Vega finally reveals the sinister mystery of how a teen girl named Brooklyn became the epitome of evil in this terrifying prequel to the series MTV calls "Mean Girls" meets "The Exorcist." Brooklyn knows that there's no good without evil, no right without wrong. And when a helpless girl calls her teen helpline, whispering that someone is hurting her, Brooklyn knows that she needs to save her anonymous caller, even if it means doing something bad. Her parents and friends assure her the call was probably a prank—but Brooklyn has always had a tendency to take over, whether someone has asked for help or not. She discovers the call came from Christ First Church and finds herself plunged into the cultish community of its youth group. She's especially drawn to Gavin, the angelic yet tortured pastor's son. Torn between an unstoppable attraction to Gavin and her obsession with the truth, Brooklyn is forced to make a devastating choice to rid Christ Church of evil once and for all. . . . But the devil has plans for Brooklyn's soul.

Customer Reviews

Danielle Vega spent her childhood hiding under the covers while her mother retold tales from the pages of Stephen King novels. Now an adult, she can count on one hand the number of times in her life she's been afraid. Danielle is the author of the Merciless series and Survive the Night. Follow her @dvegabooks.

Love this series and the author! Edge of your seat book. Great as a quick read and satisfyingly gory :)

The first two were MUCH better.

The third installment in the merciless series had me on edge just like the other two. It was such a treat to take a peak into Brooklyn's past. I was so disappointed when I finished it, I never wanted it to end! I could have read this whole book in a day if I wanted to but I didn't want to finish it so I ended up staggering it out. I wish the author would write some kind of spinoff of this story of the origin of how the demon started.

Lawd. I need Jesus after this read! Also, I need to go back and re-read book one now! I FLOVED this book. It's my fav of all three. I want book one from Brooklyn's POV. This book changed this whole series for me. PS. The cover sparkles in the light. It's amazing.

This book is a new tale about a teen named Brooklyn. Brooklyn meets a hot pastor's son and his sister. Things are a little creepy and cultish about the church, and there are a lot of accidents happening with the teenagers in the church. Soon Brooklyn finds out the true evil. This book was a let-down because it focuses on a new girl. The story is kind of boring, and the ending is rushed.

The beginning is a little slow....but hang in there, it's gonna get creepy.

Well, this book started out kinda slow, for my liking. We don't get into the good stuff till about a few chapters in. I'm glad we got Brooklyn's story. How this all originated, and it's good.

Finished it in less than a day, loved it.
