This is a great book for grownups. I started lessons as an adult and found that many books for adults either have songs that are Disney or songs that are too old. This book has a good mixture of songs, both in skill level and music era. I have used this book a ton. Only one or two of the songs are duds but not enough to lose a star. Great book with good arrangements.

i highly recommend & own NancyFaber's Adult piano books: 2 Adventure, 2 classical, 2 popular & Christmas classics. All vignette pieces are doable yet challenging for me, 67-years young retired great-grandma, classes 2 semesters. i love the joy of playing & of figuring out the music piece on my own. i love to fireup my Yamaha Clavinova and terrorize the neighbors with the Entertainer,

Swan Lake, O mio babbino caro, Moonlight sonata, etc....i suggest the author include Fur Elise in future editions.
