I had no idea Billy was so interested in politics and how he worked with the "kings" of this world to spread The Gospel of Jesus throughout the world. A great read and I look forward to hearing him speak his last Gospel outreach this fall, called My Hope, to be broadcast all over the world into living

rooms filled with friends and neighbors. Surely The Holy Spirit has been the force working in and through Billy to accomplish His Will. He has lived an extraordinary life for Christ.

I enjoyed hearing about his campaigns his interactions with the presidents. I have gone to several of his crusades in MPLS and a family member was saved at one.

One of the best book I have ever read. I love how Billy shares his story in a humble way, giving all the glory to the Lord. Anyone with missionary interest will thoroughly enjoy this book.

I've always loved and admired Billy Graham, and I have great respect for him. After reading his biography, I love, admire and respect him even more! There are so many things you don't know about people in the public eye that you learn in books like these. It interesting to read about the experiences that shaped Rev. Graham into the great man we all love! I highly recommend this book to everyone!

When I read a page in this story, I can really imagine myself being there instead of reading about it. That for me is a great writer.

I highly recommend this book. It is an amazing story of courage, destiny, and God's love. It will build your faith.

I thought it was a excellent book. He told it like it was whether it was popular or not. I have great respect for them and I have enjoyed every book if have read by him if you don't know him read the book and you will know all about gim
