The Sneetches And Other Stories

Synopsis

Dr. Seuss creates another timeless picture-book classic with *The Sneetches and Other Stories*. Are you a Star-Belly Sneetch or a Plain-Belly Sneetch? This delightful book contains four tales with deliciously subtle takes on how silly it is to be, well, silly. "The Sneetches," "The Zax," "Too Many Daves," and "What Was I Scared Of?" make this energetic compilation a must-have for every library. Full of Dr. Seuss's signature rhymes and unmistakable characters, it's perfect for new and lifelong Seuss fans.

Age Range: 5 - 9 years

Grade Level: Kindergarten - 4

Customer Reviews

"Now, the Star-Belly Sneetches / Had bellies with stars. / The Plain-Belly Sneetches / Had none upon thars." This collection of four of Dr. Seuss's most winning stories begins with that unforgettable tale of the unfortunate Sneetches, bamboozled by one Sylvester McMonkey McBean ("the Fix-it-up Chappie"), who teaches them that pointless prejudice can be costly. Following the Sneetches, a South-Going Zax and a North-Going Zax seem determined to butt heads on the prairie of Prax. Then there's the tongue-twisting story of Mrs. McCave--you know, the one who had 23 sons and named them all Dave. (She realizes that she'd be far less confused had she given them different names, like Marvin O'Gravel Balloon Face or Zanzibar Buck-Buck McFate.) A slightly spooky

adventure involving a pair of haunted trousers--"What was I scared of?"--closes out the collection. *Sneetches and Other Stories* is Seuss at his best, with distinctively wacky illustrations and ingeniously weird prose. (Ages 4 to 8) --Paul Hughes --This text refers to the School & Library Binding edition.

Dr. Seuss ignites a child's imagination with his mischievous characters and zany verses. The Express --This text refers to the School & Library Binding edition.

A classic! Used The Sneetches as a lesson for MLK day.

I decided to buy this book because i wanted to add it to my teacher's "library." I've used the sneechea in a lesson plan before to introduce the diary of a young girl. It's an amazing story! Dr. Seuss was very much an advocate for social justice and understanding and I love his books. It's difficult enough to teach kids about tolerance because of all the terrible things they hear an see but this book is great for tolerance building! I also like that his book has other stories in it, I feel like I'm getting multiple stories for less than the price of one book! Overall: great stories, great price! I highly recommend!

My one year old loves pictures.

I love Dr. Seuss. I purchased this book and a few others for my son's Second Grade Teacher as a end of year present. She loved it.

A childhood favorite. Teaches good lessons to not to look down on others because they are different, be true to yourself, and not be greedy.

My all time favorite. This will teach your children about how silly it is to prejudge, discriminate and even to constantly demand more! more! MORE! I think it puts into a child's perspective, bullying, fairness, being nice, being equitable in our everyday relationships. To be more accepting of others and even ourselves as we are and not having to change ourselves to "fit in" with another's pre-conceived notions of who and what we should be.

A classic Dr. Seuss book. Not as good as The Cat in the Hat or Green Eggs and Ham, but still a fun

read for children of any age. Teaches children about discrimination and its effects.

Too many Daves... loved this growing up. Looking forward to reading it to my children
