Silly Tilly

Synopsis

"Tilly is not an ordinary goose. She takes her baths in apple juice. She wears a pancake as a hat. She tries to ride the farmer's cat." But the barnyard animals complain that she's too silly. When she stops entertaining her friends with her antics, the farm becomes a quiet and unhappy place. David Slonim's acrylic, pencil, and ballpoint pen illustrations add to the hilarity in this story about a one-of-a-kind silly goose.

Customer Reviews

"Tilly was a silly goose," starts this adorable book by Eileen Spinelli that takes us through all the many things this wacky fowl does. She likes to kiss fish, take baths in apple juice, and sit on birthday cakes annoying the rest of the barnyard with her wild antics. They tell her that she must stop all her nonsense and behave like the rest of the group. Sadly, she complies with their demands. The group soon realize that her behavior livened up the place, "Hetty Hen remarked, I haven't laughed since-when? - since Tilly chased the garbageman!" Realizing they were wrong to make Tilly conform, all the animals apologize. Tilly resumes her harmless pranks, and once again

entertains the entire barnyard with her shenanigans. A wonderful tale of appreciating our friends for who they really are and having the understanding that we shouldn't change them. Beautiful and richly illustrated by David Slomin. Sweet book for some nice discussions on the meaning of friendship.

Silly Tilly is the best, silliest, rhyming book ever. We used to read it everyday to our 2 older daughters. They memorized the book and would recite it as we read. I had to buy a new copy recently because we have 2 new kids. :) Pretty soon we'll be reading it to them. My older girls were excited to see this book come in the mail.

This book is cute. I bought it on my Kindle so I could check it out for free (Amazon Prime book of the month) because my friend's baby is named Matilda, and I call her "Tilly". If I can find a hard copy of it, I'll buy it!

We read this book so many times my kids can literally recite the whole thing from memory just by looking at the pages. The storyline is cute- I personally love this book. However, the copy I received was paperback and flimsy. It was already worn out before the mail carrier folded it in half and stuffed it in my mailbox. So it is raggedy and bent in half. Yikes. Story is still good, worth reading- just be sure you don't order a paperback copy.

We enjoyed Silly Tilly's actions with the barnyard friends. She is funny as well as silly. Easy read for first grader.

The illustrations are simply stunning. I loved the plot and the way the words rhymed. The book is very entertaining.

My 4 and 6 year old grandchildren really liked this one. It's about the importance of fun and laughter and doing what we're best at.

I absolutely hated it it's too dumb and silly! I rated it the opposite of what I thought and that's the plot
