From a mail-order company started by Vickie Hutchins and Jo Ann Martin at their kitchen tables, Gooseberry Patch has evolved into a powerful brand with a devoted following. With nearly 9 million books sold to date and recognition as a national bestselling publisher, the Columbus, Ohio company offers more than 200 titles. Each is priced under \$17 and geared toward today's time-strapped, budget-conscious family. Books are compiled of easy & affordable recipes submitted by cooks across the country.

I LOVE this calendar! I buy the Gooseberry Patch calendar every year. There are such adorable illustrations, yummy recipes and little tips each month. I am a busy working mom. I don't have time to be crafty or make too many recipes just for fun. But I love looking at this calendar every day b/c it gives me just a bit of inspiration that warm, cozy feeling I get when I do get to craft or cook. I love flipping each page as the months go by and love seeing what is featured for the month. I love the holiday themed illustrations - it always puts me in the mood for the holidays to come.

Ah yes, Gooseberry Patch, once-upon-a-time a catalog store that offered that olde fashioned, vintage feeling of Grandma's kitchen, comfort food recipes, farm style utensils, cotton tea towels, enamelware, etcetera. All beautifully illustrated in what I've read as watercolor prints, we have now the calendars, pocket too. Recipe books, planners, everything in print. Although I can't order any bubble lights or cookie cutters anymore, I love this colorful monthly reminder of what home & family can certainly create. Each month contains the beauty of what the month brings, plus a recipe for a dish, dessert, or gift to share. That has always been the basis I've felt in all of best friends, Jo Ann & Vickie's message; Sharing. As it was meant to be, & I've been a fan for over 20 years, it brightens your day, every day, all year long. *BigSmile*

this Calendar is very nice. But it is bigger than the usual calendar that I always get so it that's a good thing and a bad thing as it doesn't fit well with all my other papers and notebooks. The boxes are bigger so I can write more. I was disappointed in the recipes as there aren't any special recipes that I can't wait to try. Nice recipes just not special. But overall it's a very nice calendar.

Love these calendars. Great recipes and the calendar pages are big enough to write on with reminders of what is happening that week or any day of the week. Looks good on the wall too.

Gooseberry Patch Calendars have become an annual tradition in my family for our Kitchen Calendar ... Bright, colorful illustrations each month, as well as great tips & awesome recipes!!!
Gooseberry Patch Calendars are so much more ... Great price! Highly recommend!

This calendar is so CUTE plus you get receipts each month!
