## Customer Reviews

As advertised, the puzzles in this book are tough! I had become bored with hard Sudoku puzzles and wanted a greater challenge, and this book certainly provides it. I have had to take my Sudoku solving skills to a whole new level and have truly enjoyed tackling these puzzles.

Truly challenging. My spouse loves it.

It's Really hard! Bought this for my boyfriend for Christmas. Other books were too easy for him. This is Worth the challenge.

I am very pleased with the purchase.

The challenge was as I hoped

not for me

I very much enjoyed this sudoku puzzle book. The format is large pages with only 2 puzzles per page, and each page has a reference to the applicable solutions page. The difficulty level of the

puzzles is definitely high, but there is a variation of the difficulty so I can solve a high enough percentage (currently for me about 35%) to remain challenged and motivated. Also I was made to learn new solving techniques. I am repurchasing the book, and say thanks to Mr. Manuel Castillio.

This book is fabulous...the puzzles are hard but big enough to see...there are 2 to a page and you don't need a magnifying glass to see them...puzzles are hard but not impossible and they are a delight to try to get thru
