Unexpected Mate: M/M Alpha/Omega MPREG (The White Falls Wolves Book 3)

Synopsis

Carter didn't believe in true mates... until he met Brand. One scent was all it took. There was one big problem... when he met Brand, he was at a prenatal visit with his mate, Aaron, for their first child. And Brand was Aaron's doctor. Carter wasn't going to let the pull he felt toward Brand ruin what he had with Aaron, though, and Brand kept silent, so he let it fade. Six years later, a car crash changed Carter's life. It tore Aaron from him and broke his little boy in ways they are still trying to heal two years later. Carter's had two years of grieving, and he's ready to see if Brand and fate will give him another chance. Brand absolutely believes in true mates... and Carter isn't his. When Carter approaches him, Brand has no idea what he's talking about. Brand's never experienced that lightning from the sky moment, the fireworks, the scent--but he wants it. He wants it all. And he's not going to take anything less than everything, no matter how attractive Carter is. If Carter can't win Brand over the easy way, he's determined to do it the old fashioned way: with lots of wooing. But unknown to them, Brand has come to the attention of a group that poses a danger to all shifters everywhere, and their problems are just beginning. *Unexpected Mate* is a 61,000 word novel with pregnancies galore, danger lurking in the shadows, and finding healing in those you love.

Customer Reviews

Should have been 5 stars but their editor let them down. Once the fixed copy is up I will be able to amend my rating. Carter and Brand are so adorable. This also explores the whole scent/fated mates theory. What happens when you scent your fated mate, but your already married? What happens when you can't scent your fated mate? Are they lying to you? Carter and Brand will help you discover the answers in their story. Ugh, so glad I found this series, hopefully their muse is in tip top shape and busily sharing book 4 so it can be written quickly.

“This author collaboration!

Great storyline great dynamics between the characters that builds up to a excellent story. I can't wait for the next book to find out why Sean came to speak with the Alpha.

I am really enjoying these books. The way different people's lives are weaving a more overarching pattern to the story. I can't wait to read more about Sean especially.

I really like this series, I like the way the alpha/omega is handled. Not all dom/sub like most of the genre. It would have gotten 5 stars, except for the lack of proper editing. Microsoft Word is great, but spell check only goes so far.

I have really enjoyed this series. Each book has such a unique story and great characters and I can't wait for book four!

Love It! This story was gut wrenching and heart aching but thrilling too! Just had to wait for it! Can't wait for more!
