The Map To Everywhere

Synopsis

Anything you need - The Map to Everywhere can take you there. To Master Thief Fin, an orphan from the murky pirate world of the Khaznot Quay, the Map is the key to finding his mother. To suburban schoolgirl Marrill, it's her only way home after getting stranded on the Pirate Stream, the magical waterway which connects every world in creation (Apparently she shouldn't have climbed aboard the mysterious pirate ship that sailed out of nowhere and into a dry Arizona parking lot. How was she to know?). With the help of a bumbling wizard and his crew, they must scour the many worlds of the Pirate Stream to gather the pieces of the Map to Everywhere, but they aren't the only ones looking. A dark and sinister figure is hot on their tail, and if they can't beat his ghostly ship to find the Map, it could mean the destruction of everything they hold dear-not least of all themselves! In Carrie Ryan and John Parke Davis' first installment of a fantastical new series, adventure, magic, and hilarity collide in the treacherous skies and dangerous waters of the Pirate Stream. Heart-pounding escapades and a colorful cast of characters will have readers setting sail through this wholly original and unforgettable tale.

Customer Reviews

I found this book fast paced, imaginative, and well written. My son loved the Secrets of Droon books and I had been searching for something a bit more developed that would still hold his attention. I read The Map to Everywhere and was surprised to enjoy it. I'm looking forward to the next book.

As a mother, I enjoyed reading this book to my girls as much as they did. The authors' writing is

well-crafted, leading the reader through a wonderful ride that captivates the reader from the very beginning. Late elementary/early middle schoolers will enjoy the story of adventure and humor that ultimately uncovers the friendship that develops between the two protagonists. The story is engaging, exciting, intriguing, and captivating, and I suspect that the series will quickly become a must-read for young readers. Now that we have enjoyed *The Map to Everywhere* as a family, I cannot wait to read *The City of Thirst*!

Wonderful adventure story.

Nice new book received. Awesome story. We gifted this copy to a 9yr old friend for a birthday party.

This book is so much fun! I bought it on Kindle first and loved it so much I bought it in Hardcover for my 9 year old niece. She loved it too! We can't wait for the next couple books in the series.

My 10 year old daughter loved this book, cried when it was over only to discover (yay!!!) that it has another book in the series.

This was a book that satisfied my ten-year-old's need for action. It kept him hooked until the very last page.

Excellent product quick shipping!!!!
