Apostles And Prophets: The Foundation Of The Church

Synopsis

Jesus revealed Himself to be the cornerstone of the church. But He has built His church, and continues to build it, through apostles and prophets, people who are empowered by the Holy Spirit. Now a leader of the New Apostolic Reformation gives us new insights into how the people called to crucial roles in the church--apostles, prophets, evangelists, pastor and teachers--must work together to fulfill their divine purpose. For the first time since the Early Church, God is harnessing apostles and prophets to fulfill the promises of His divine plan. Prepare to play your part!

Awesome reading

Even though I've purchased the incorrect book, I did read a few chapters and rate it with much valuable information

Excellent

Very good!

This is a foundational book for the church as it is today. This book will help you shift into the new move of God. Thanks so much.

I rated this book very high because it is one of the best self help books that is written and available on the market for this century. This book has helped not only me, but it has been a tremendous help to the members of my church. I would recommend this book to everyone that wants to increase and improve their spiritual health.

Peter Wagner has not done the church a favor in writing this book. It's confusing and sounds a lot like the Shepherding movement of the 1970's and 80's. I would not recommend this book.

This is one of Peters finest works, I have read everything he has written, been mentored by him for years and one of the first students at WLI which has forever changed my life.
