The Everything Groom Book: A Survival Guide For Men!

Synopsis

Without question, you love your bride-to-be and want to spend the rest of your life with her. Ever since you popped the question, however, she's seemed somewhat different--more anxious, more neurotic, and more fixated on the "little things" like flowers, bridal registry china, and why the bridesmaids hate their dresses. Before you head for the back door, take a deep breath--help is on the way. The Everything Groom Book is here to help you keep your sanity while your fiancée loses hers. Get no-nonsense advice on how to: Handle the emotional roller coaster Choose a wedding location and date Narrow down the guest list Know when to give your opinion--and when to hold back Smooth over disagreements From timing the engagement to enjoying your honey-moon, The Everything Groom Book is your ticket to a hassle-free wedding.

Customer Reviews

Shelly Hagen is a freelance writer and coauthor of The Everything Bachelorette Party Book. She lives in Wilton, New York.

Groom thought it was great and he is actually going to read it. Started it the same day, so far so good. I skimmed it and it seemed humorous but with legit advice. This was a gift thrown into an engagement basket so the groom got something besides champagne and candy... made him feel a little special haha

I bought this as a novelty, but it's actually been useful to the groom. There's some pretty good tips in it and it's now being passed on to the next groom. The groom said, in slight jest, "it pretty much says to let the bride have what she wants and make sure I pay for everything". :) But jokes aside it will tell the groom what situations might come up while planning a wedding and what he should do.

One might think that some of the information included might be a little unnecessary and one might not realize how forgetful many guys can be.. Great book to make sure the wife is happy or make sure the husband helps out!

as advertised

Great purchase. Book in good condition and arrived early. Thanks!

Good book however the groom lost it after a week!

Great gift I gave to my brother-in-law.

My son loves this book
