Customer Reviews

Willie Nelson is one of the most popular, prolific, and influential songwriters and singers in the history of American music. He has recorded more than one hundred albums over six decades, appeared in several films, and written two New York Times bestsellers: Willie: An Autobiography and The Facts of Life and Other Dirty Jokes. Micah Nelson is a musician, visual artist, and videographer, and plays regularly with his father Willie Nelson.

Excellent guitar chord songbook! Good selection of songs and the way it shows the guitar chord diagrams makes it relatively easy to play with some practice. I like the size of the book because I can open it to a song I want to play and make a letter size copy. Have purchased several books in this series and highly recommend it!

very clear and helpful.
