No Quick Fix: Where Higher Life Theology Came From, What It Is, And Why It's Harmful

Synopsis

Every Christian struggles with sin and wants to be victorious in the fight. Higher life theology--also known as Keswick theology--offers a quick fix for this struggle. It teaches that there are two categories of Christians: those who are merely saved, and those who have really surrendered to Christ. Those who have Jesus as their Savior alone, and those who have him as their Master as well. If Christians can simply "let go and let God" they can be free of struggling with sin and brought to that higher level of spiritual life. What could be wrong with that? A lot, it turns out. In *No Quick Fix*, a shorter and more accessible version of his book *Let Go and Let God?*, Andy Naselli critiques higher life theology from a biblical perspective. He shows that it leads not to freedom, but to frustration, because it promises something it has no power to deliver. Along the way, he tells the story of where higher life theology came from, describes its characteristics, and compares it to what the Bible really says about how we overcome sin and become more like Christ.

Book Information

Paperback: 160 pages

Publisher: Lexham Press (August 30, 2017)

Language: English

ISBN-10: 1683590465

ISBN-13: 978-1683590460

Product Dimensions: 5.8 x 0.3 x 8.8 inches

Shipping Weight: 6.4 ounces (View shipping rates and policies)

Average Customer Review: 5.0 out of 5 stars 1 customer review

Customer Reviews

Andrew David Naselli (PhD, Bob Jones University; PhD, Trinity Evangelical Divinity School) is associate professor of New Testament and theology at Bethlehem College & Seminary in Minneapolis and an elder of Bethlehem Baptist Church. He is the administrator for Themelios and has authored and contributed to numerous books and articles including *Conscience: What It Is, How to Train It*, and *Loving Those Who Differ* with J. D. Crowley.

An important analysis. Answered many questions I've had about the Keswick movement. For

whatever reason I was always enamored by the "Victorious Living" idea but sensed, if that is the right word, that it could be very easily manipulated into aberrant theology. Naselli's book does a masterful job bringing the basics of the issue to a level where it can be taught at the lay level. Even if you might disagree with the conclusions or even the methodology of the study, read it for the sake of a unique theological conversation.
