ANNE KENNEDY has illustrated numerous books for children.

I bought this book for my two Great Grandsons, ages 5 & almost 2. The 5 year old just loves making the younger one giggle! So when I saw the book, I knew they would like to hear all about Giggles. According to my granddaughter, their mother, they LOVE it! It's "requested reading" almost every day! So my "mission" was accomplished. Little Golden Books have been a staple in our home for many years & there will be quite a few under the Christmas tree again this year!

Very cute book. Has a great rhyme to read out loud to baby. i enjoy those books the best. Also has cute illustrations. And totally relatable. Cant go wrong with this buy for the price!

Given to friend again I thought it was darling

One of those books that makes you say "Awww" and reminds you of all the little moments that make your child laugh and make memories. Very cute. Easy for my 18 month old to listen to entire thing. I can play with her toes, point to her belly, and tickle (parts of book).

SUPER cute book!!!

Cute!

The illustrations are beautiful and the story is just sweet. My daughter loves it! She got Cinderella story from Golden Books and that has become her favorite book for a while too.

Love this story..fun to read to the little ones. Its a keeper for me and I will be looking for more fun stories.
