Alaska Light: Ideas And Images From A Northern Land

Synopsis

“Alaska Light,” like Alaska itself, is rich with extremes. From the Arctic Slope to the Inside Passage, from glaciers and grizzlies to sled dogs and caribou dreams, “Alaska Light” paints a mosaic of landscapes and wildlife. Five essays are complemented by 28 story photo captions about Alaska’s geography, wildlife, and people while the back pages are devoted to a timetable of Alaskan history. More than a pretty picture book, it has heart, humor and beauty that honor the best we can do for Alaska, and Alaska for us.

Book Information

Series: Companion Press Series

Hardcover: 112 pages

Publisher: Graphic Arts Books (June 1, 1998)

Customer Reviews

Kim Heacox worked for six years on this book, traveling winter and summer from Ketchikan to Kotzebue. He first came to Alaska in 1979 and worked as a ranger in Glacier Bay, Denali, and Katmai National Park until 1985 when he reinvented himself as a freelance writer and photographer. He is the author of another Companion Press book, *In Denali: A Photographic Essay of Denali National Park and Preserve*. --This text refers to the Paperback edition.

Kim Heacox is the award-winning author of several nonfiction books and the novel "Caribou Crossing." His feature articles have appeared in "Audubon," "Travel & Leisure," "Wilderness," "Islands," "Orion," and "National Geographic Traveler." His editorials, written for the "Los Angeles Times," have appeared in many major newspapers across the United States. When not playing the guitar, doing simple carpentry, or writing another novel, he's sea kayaking with Melanie, his wife or

watching a winter wren on the woodpile.

I saw this book alongside more than fifty kindred at the Denali Visitor Center. We chose this for our table display book because it alone showed Alaska as the word itself defines - "The Great Land." This is the book Robert Service would have chosen to illustrate his poetry about "the great, big, broad land 'way up yonder...the beauty that thrills me with wonder, it's the stillness that fills me with peace." If you can't go, you are the poorer for it, but this book will enrich your eyes and your spirit. Lee in Tucson

Great photos not to mention the informational text. Great book!

That's Alaska - simply beautiful. This photographer did an excellent job on this book. You'll love it.
