THIS BOOK IS SO HELPFUL! Definitely get it, if you need more studying time. It makes it SO much easier, and before you know it you realize that you can answer ALL the questions without hesitation! I got A's ALL semester, the last two semesters, and I'm definitely giving this book 1/3 of the credit for my grades. The other 2/3 come from my own passion to learn things. So take a great step in your education and bless yourself with a really awesome tutor (:
