Jayne Ann Krentz - Eclipse Bay Trilogy: Eclipse Bay, Dawn In Eclipse Bay, Summer In Eclipse Bay (Eclipse Bay Series)

Synopsis

Eclipse Bay Their grandfathers hated each other. Their fathers hated each other. And as the next generation of Hartes and Madisons, Hannah and Rafe are expected to hate each other too. Reunited by a surprising inheritance after years of living their separate lives—Rafe Madison and Hannah Harte are discovering something that is at once delightful and deeply disturbing. They don't hate each other. Not at all. Dawn in Eclipse Bay Only months after their siblings' wedding, Lillian Harte and Gabe Madison are at each other's throats. Successful CEO Gabe had insisted on becoming a client of Lillian's matchmaking service. And after five disastrous dates, Lillian is at her wit's end. When she finds Gabe at her door demanding she fulfill their business contract, the sparks between them suddenly turn personal. Summer in Eclipse Bay Art gallery owner Octavia Brightwell doesn't take chances—especially on handsome, charming men. But that's only part of the reason why she turned Nick Harte down six times before finally agreeing to a date. Octavia's related to the woman who sparked the long-time family feud—and fears that falling hard for Nick would only ignite the flames again.

Jayne Ann Krentz is the author of fifty New York Times bestsellers. She has written contemporary romantic suspense novels under that name, as well as futuristic and historical romance novels

under the pseudonyms Jayne Castle and Amanda Quick, respectively. She lives in Seattle.

Love this trilogy. The characters are eccentric and interesting, and they reoccur throughout Jayne Ann Krentz /Castle 's following series. A great read and a necessary one for Krentz fans.

One gets a feeling of a PAST, and a COMMUNITY here. Great pacing and great characters...they seem to be friends of friends and entirely believable. Great series all contained in one volume.

loved the book great seller and product.

Fan of author and enjoy reading her books

Love it

This was a safe way for me to see if I would enjoy these modern stories as much as I do those from Jayne Ann as Amanda Quick in historical settings. It took me a bit longer to get into the story but in the end I enjoyed them all.

I love her books they are great and having three stories in one even better

This trilogy of stories from Jayne Ann Krentz details the story of two feuding families and how the grandchildren of the two come together(in more ways than one) and resolve old disputes and make new beginnings. While not her usual mystery/murder with complications stories, they are entertaining and a good read for fans.
